Payment in Full

Avila accepts MasterCard, Visa, and
Discover credit cards, cash, personal
checks and money orders. The
Deferred Payment Plan fee will be
added to any account not paid in full
by the first day of the semester.

Deferred Payment Plan

1. For details about the Deferred
Payment Plan, contact the
Business Office in Blasco Hall at
(816) 501-3700.
2. To be eligible, all tuition, fees, etc.
from previous semesters must be
paid in full.
3. The student is responsible for the
total charges even if some portion
of the payment is deferred.
4. A fee will be assessed for participa-
tion in the deferred payment plan.
5. Deferred Payment Plan agreements
are mailed with tuition statements.
6. A late payment penalty of \$15.00
will be charged for each payment
not paid on or before due date.
7. If you register prior to August 2,
2004, make sure at least 25 per-
cent of your tuition and fees is
received in the Avila Business
Office in Blasco Hall no later than
August 16, 2004.
8. If you register beginning August 2,
2004, or later, you will be required

to pay at least 25 percent of your tuition and fees at the time of registration. Financial Aid papers, if applicable, must be signed in the Business Office during the first week of classes. The balance is payable according to the terms of the monthly payment plan.

9. Failure to remit payment due to Avila will result in cancellation of your registration. This will in no way relieve you of your financial obligation. You may be reinstated by paying a reinstatement fee and completing the proper form available in the Registration and Student Records Office. However, your original classes cannot be guaranteed.

Undergraduate Graduation Application – General Information

Note: Applications for Masters students are available from the respective division office or Graduate advisor.

There are four official dates each academic year used for graduation: December, May, June and August. The due dates for applications and late fees that apply are shown in the table below. **Students are encouraged to complete and return graduation applications as soon as possible. LATE FEES WILL BE ASSESSED BY THE DATE THE APPLICATION IS RECEIVED IN THE REGISTRATION AND STUDENT RECORDS OFFICE.**

Grad Date	Application Due Date	\$25 late fee	\$50 late fee	\$75 late fee	\$100 late fee
December completion	Last business day in April	Up to (including) one week late (April)	Ending last business day in June	Ending last business day in July	August and after
May completion	Last business day in August	Up to (including) one week late (September)	Ending last business day in September	Ending last business day in October	November and after
All June and August completion students planning to participate in May graduation ceremonies	Last business day in September	Up to (including) one week late (October)	Ending last business day in October	Ending last business day in November	December or after
August completion students NOT planning to participate in May ceremonies	Last business day in February	Up to (including) one week late (March)	Ending last business day in March	Ending last business day in April	May or after

Graduation Fees

There is a \$90 graduation fee that covers the costs of diploma, diploma cover, graduation ceremony costs, cap and gown, graduation barbecue, transcript auditing and recording, and other related costs. For students not participating in the May ceremonies, the fee is reduced to \$40.

Graduation fees will be billed to the student account. The due dates for paying the fees are as follows:

December graduation date: Due by the last business day in November.

May, June and August graduate date: Due by the last business day in March.

Tuition Adjustments

The first day of the fall term day and evening classes is August 25, 2004. If adding, dropping or withdrawing, the student must complete a Change of Program Form available in the Registration and Student Records Office and must process and return the form to the Registration and Student Records Office for the transaction to be complete. The date the form is returned to the Registration Office is the date of the transaction. The time periods for the adjustments commence with the first day of classes according to the academic calendar and not the beginning date of the individual courses. Laboratory fees are not refundable.

Cancellation of Registration

Prior to the start of classes and the first seven calendar days of the semester, a cancellation of registration will result in the cancellation of all tuition and fees. A fee (\$100 for full-time; \$25 for part-time) will be charged. Cancellation of registration is a complete withdrawal from Avila and no records will be kept. To cancel registration, a Change of Program Form available in the Registration and Student Records Office must be processed and returned to the Registration Office during the first seven days of classes.

Refund Policy For Undergraduate Students

Complete Withdrawal from School Students who withdraw completely from all classes prior to the completion of 60% of the academic term are required to return to the federal government the unearned portion of any federal financial aid the student has received. If the student withdraws after completion of 60% of the academic term, the student is not required to return the unused portion of federal funds.

The federal Return of Title IV Funds dictates the amount of Federal Title IV aid that must be returned to the federal government. These federal funds

include, for example, Pell Grant, SEOG, Federal loans (unsubsidized or subsidized, Stafford, Perkins or PLUS). The percentage of Title IV aid to be returned is equal to the number of days remaining in the term divided by the number of calendar days in the term. If funds were released to a student because of a credit balance on the student's account, then the student may be required to repay some of the federal grants or loans released to the student.

Change in number of part-time credits

Tuition adjustments for part-time students changing the number of credits they are taking will have an adjustment made using the following plan:

1 through 7 calendar days	100%
(withdrawal fee applies)	
8 through 14 calendar day	75%
15 through 21 calendar days	50%
22 through 28 calendar days	25%

After the 28th day, there will be no reduction of the original charges and they are due and payable.

Change in Status from Full to Part-Time

Prior to the start of classes and the first seven calendar days of the semester, tuition will be reassessed at the part-time rate. After seven calendar days, there will be no tuition reduction, and the original charges will be due and payable. The Change of Program Form must be processed and returned to the Registration and Student Records Office during this seven-day period.

Financial Aid Adjustment

If any tuition reduction results in an overpayment, the appropriate refund will be made following the Avila refund policies. Where federal financial aid or federally guaranteed monies are involved, the federal regulations relating to the return of Title IV funds will be used. If any tuition reduction results in the student still owing Avila, it will be due and payable.

Credit Balance Returns

Credit balances are available from the

Business Office on the following schedule:

1. Students not receiving federal assistance may request a refund at any time after the second day of classes.
2. Students receiving any federal assistance (Pell, SEOG, Subsidized and/or Unsubsidized Stafford Loans) will automatically receive a credit balance return on the schedule outlined below UNLESS the student has submitted a written request for Avila to maintain a credit balance on his/her account. Credit balances resulting from these federal monies must be issued to the student by the 14th day following the beginning of class or the receipt of funds by the Avila (whichever occurs last). Federal Perkins Loan papers must be signed in order to be included in any credit balance returns. Refunds for Perkins Loan proceeds will be available on the 14th day following the beginning of class or the completion of the Promissory Note by the student (whichever occurs last). In instances where credit balances are created by funds paid from outside sources (such as business, government and banks), the money must first be received by Avila in order to issue a disbursement check to the student. An authorization to bill an outside source does not create a credit balance.

Federal Stafford Loan, Federal Unsubsidized Stafford Loan and/or Perkins Loan recipients:

- a. Remember: Loans of any type must be repaid whether or not you graduate or are satisfied with the education you receive.
- b. For first-year, first-time undergraduate borrowers, loan proceeds will not be disbursed until 30 days have expired from the first day of classes. At that time, after class attendance and academic progress have been verified, loan

Summer & Fall 2004 Course Schedule & Step-by-Step Registration Guide

checks may be endorsed by the student or wire transfers received by Avila. Any refunds resulting from this occurrence will be issued on the 14th day after funds are received by Avila.

- c. For all other borrowers: Avila regulations will not permit credit balances generated by these loans to be returned until classes have begun and attendance has been verified. When the loan check is endorsed or a wire transfer received before classes begin, the refund of a credit balance will be available on the 14th day following the beginning of classes. If the loan check is endorsed or a wire transfer received after the beginning of classes, the refund of a credit balance will be available on the 14th day following the receipt of the loan proceeds.

Residence Hall Refund

See the Avila catalog for a description of the Residence Hall Refund Policy.

Appeal Policy

Students who feel their individual circumstances warrant an exception from the above-stated refund policy may appeal in writing. The appeal

should include a statement of the exception being requested, an explanation as to why an exception should be granted, and appropriate materials to support the request for the exception. The appeal and supporting materials should be sent to the Academic Academic Affairs Office, Avila, 11901 Wornall Road, Kansas City, MO 64145.

Once all appeal materials are complete in the Academic Affairs Office, a decision will be made within 14 calendar days.

Crediting Financial Aid Awards to Student Accounts

1. Financial Aid, including loans, must be fully processed and loan proceeds, or disbursing dates thereof, must be on record in the Business Office at registration time to be considered as reducing the balance due. If this is not the case, you will be responsible on the due date for the payment that is due.
2. Where loans are involved, the proceeds must be applied to any balance due. Students may call the Business Office at (816) 501-3700, to verify if their proceeds

have arrived. However, a billing statement will be sent within 30 days of the loan proceeds receipt date. Credit balances on accounts will be returned as noted earlier under Credit Balance Return.

3. Registration charges are audited by Business Office personnel. Students are responsible for any balance owed due to an assessment error.
4. Federal Perkins Loan recipients must go to the Business Office and sign their promissory note before the loan will appear on their statement.

Registration Information

Steps for Registration

1. Register in person in the Registration Office or use telephone registration. See the Academic Calendar on pages 4-5 for registration dates.
2. If you are planning to enroll in an English Composition or a mathematics course, you must either have official ACT scores (dated Jan. 1, 1995 or later) on file, have SAT scores on file, or you must take placement exams at Avila (see below). SAT scores will be converted to ACT equivalents.

English Placement Exam

- a. If you have taken the ACT since January 1995 and have an ACT English score of 20-24, you will be placed in English 111. If you have an ACT English score of 25 or higher, you will be placed in English 112. Any student has the option of taking the current English placement exam.
- b. If you are entering Avila without ACT or SAT scores, or you took the ACT prior to 1995, or your ACT English score is below 20 and you want to enroll in either English 111 or 112, you must take the English placement exam at Avila before you can register. A minimum placement score is required for registration in EN 111.
- c. If you have previously passed English 111 or its equivalent, you do not need to take the English placement exam.
- d. There is no charge for the exam.
- e. Call the Student Resource Center at (816) 501-3666 to make arrangements to take the exam.
- f. In order to enroll, you must present a form signed by your advisor indicating the course in which you should enroll.

Math Placement Exam

- a. If you have taken the ACT since January, 1995, and have an ACT math score of 20 or higher, you

may enroll in either MA 115 or MA 120. An ACT math score of at least 24 is required for enrollment into MA 241. Any student may choose to take the mathematics placement exam.

- b. If you are entering Avila without ACT or SAT scores, or you took the ACT prior to 1995, or your ACT math score is below 20 and you want to enroll in either MA 115 or MA 120, you must take the math placement exam at Avila before you register. A minimum placement score is required for registration in MA 115 or MA 120.
- c. If you have previously passed Math 120 or its equivalent, you do not need to take the math placement exam.
- d. There is no charge for the exam.
- e. Call the Student Resource Center at (816) 501-3666 to make arrangements to take the exam.
- f. In order to enroll, you must present a form signed by your advisor indicating the course in which you should enroll.

Methods of Registration

Being advised does not mean you are registered in any courses. Make sure all tuition, fees or other charges from previous semesters have been paid in full. You must register with the Registration and Student Records Office in Blasco Hall by using one of the following options:

In-Person Registration

1. Present your advising form to the Registrar's Office in Blasco Hall and request to be registered.
2. During the first four days of registration, current students (students registered at Avila Spring 2004) may register according to classification:

<i>First Day:</i>	Seniors
<i>Second Day:</i>	Seniors, Juniors
<i>Third Day:</i>	Seniors, Juniors, Sophomores
<i>Fourth Day:</i>	Seniors, Juniors, Sophomores, Freshmen

Graduate students may register on any registration dates.

Students are classified by the number of credit hours completed as of the first day of registration (the number of credit hours will not include the hours currently in progress).

Seniors	(96 or more hours completed)
Juniors	(64-95 hours completed)
Sophomores	(32-63 hours completed)
Freshmen	(0-31 hours completed)

Lists of students by date of registration will be posted outside the Registration and Student Records Office at least three weeks prior to the beginning of registration. A student may question that date in person in the Registration and Student Records Office and, if it is found to be incorrect, have it changed only if this is done prior to the first day of registration. After the first four days, all students may register.

See page 3 for specific dates and times.

Telephone Registration

1. Make sure your advising form is on file in the Registration and Student Records Office in Blasco Hall.
2. Have your student ID number or social security number and the department, course number and section of the class(es) in which you want to register in front of you before you call to register.
3. Call the Registration and Student Records Office at (816) 501-2410.

See page 3 for specific dates and times.

Late Registration

(see Academic Calendar for dates)

1. Late registration must be completed in person.
2. You will be charged \$25 for registering late.
3. You will not be charged a late fee if you are registering for weekend intensive or Saturday classes.

Registration for Non-Degree Seeking Students

Avila offers a special enrollment process for all students not seeking an Avila degree. No transcript or formal application is necessary. You may register at the Registration and Student Records Office for any course. To register for a course numbered 310 or above, students must meet with a faculty advisor. High school juniors and seniors, home schooled students, students from other colleges as well as anyone simply wishing to enrich an educational background are encouraged to take advantage of this convenient opportunity. Students who enroll through this program are limited to a total of nine credits at Avila before they are asked to seek formal admission.

We recommend that visiting students submit written permission from their own institution in advance of their registration at Avila in order to be sure that the course work will transfer. The following non-degree seeking students do not have to apply for admission through the Admissions Office. They can register directly by going in person to the Registration and Student Records Office during registration hours:

- A. Accepted Non-Degree
- B. Area Exchange
- C. Non-Credit
- D. Dual Enrollee (high school student)
- E. Enrichment
- F. Visiting

Non-Credit Registration

Courses at Avila may be taken for non-credit on a space-available basis. Since no academic credit is awarded, students are not required to meet the admission requirements of the institution. A stipulation of the non-credit option is mandatory class attendance. The level of class participation for non-credit is determined by the individual instructor. A certificate from Avila will be awarded to those who have met the non-credit requirements of the course.

Enrollment for this option begins in the Registration and Student Records Office (Blasco Hall) during published in-person registration days and times. Enrollment in a lower division course for non-credit requires the appropriate prerequisites but does not require departmental approval. Enrollment in an upper-division course (course numbered 310 or above) on the non-credit option must have the approval of the department offering the course. A signature from a departmental faculty representative is required. If a student withdraws from a course taken for non-credit, a refund will be granted according to the time frame for part-time students minus a \$10 administrative fee.

Additional Registrar Information

Student Responsibility

Each student is responsible for conforming with regulations in the Avila catalog. Therefore, it is important for each student to remain currently informed throughout the period of enrollment. The primary responsibility for meeting graduation requirements rests with the student. Degree requirements are subject to change. It is the student's responsibility to be informed of applicable requirements. Faculty advisors and personnel are available to provide guidance.

Course Cancellation

Courses listed in this schedule are subject to cancellation for insufficient enrollment. For this reason, students are encouraged to register early.

Exchange Programs

Area Exchange Program

If you enroll at Avila, you also have access to the curricular offerings of many other colleges and universities in metropolitan Kansas City. If you are a full-time, undergraduate student (12 or more credit hours) at Avila, you may take one course per semester at another area campus at no additional tuition costs after prior certification of status by the Registration and Student

Records Office at Avila.

This does not apply to summer sessions.

Participating institutions are Avila, Blue Rivers Community College, Central Missouri State University, Kansas City Art Institute, Longview Community College, Maple Woods Community College, Park University, Penn Valley Community College, Rockhurst University and University of Missouri-Kansas City. Participation is subject to change at any time.

Crime Awareness & Campus Security

Avila University is committed to assisting all members of the Avila Community in providing for their own safety and security. The annual security compliance document is available on the Avila University website at:

<http://www.avila.edu/info/security/index.htm>.

If you would like to receive a booklet called "Crime Awareness and Campus Security Policies," which contains this information, you can stop by the Student Affairs Office in the Marian Center Building any week day between 8 a.m. and 5 p.m. or you can request that a copy be mailed to you by calling (816) 501-3627.

The website contains information on campus security and personal safety, including crime prevention, university police law-enforcement authority, crime reporting policies, disciplinary procedures, and other important matters about security on campus. It also contains statistics for the three previous calendar years on reported crimes that occurred on campus, in certain off-campus buildings or property owned or controlled by Avila University, and on public property within or immediately adjacent to and accessible from the campus. This information is required by law and is provided by the Office for Student Affairs.

Campus Policies

Nondiscrimination Policy

Avila does not discriminate on the basis of sex, race, age, religion, color, disability, sexual orientation, national origin in administration in its educational and admission policies, scholarship and loan programs, athletic and other school administrated programs. Inquiries may be addressed to Director of Affirmative Action, (816) 501-3700.

No Harassment Policy

Avila University's policy is to maintain an environment for all of our employees and students that is free of unlawful harassment, illegal discrimination, and unprofessional conduct. It is never justifiable to harass one of our employees or students because of their race, color, gender, religion, national origin, age, disability, or sexual orientation. Unlawful harassment is counterproductive and does not serve the principles on which Avila University operates. We respect the dignity and worth of each employee and student. We believe that each employee should be free to develop fully his or her potential, neither hindered by artificial barriers nor aided by factors that are not related to merit. Inquiries may be addressed to the Director of Affirmative Action, (816) 501-3700.

Drug and Alcohol Use

It is Avila University's intent to provide a drug-free, healthful, and safe workplace. Moreover, Avila University recognizes that the misuse of alcohol and other drugs pose major health problems, are potential safety and security problems, can adversely affect academic and job performance, and can generally inhibit the education development of students. The University is committed to complying with the Drug-Free Schools and Campuses Act Amendments of 1989. As a result of this commitment, Avila University forbids the unlawful manufacture, distribution, dispensing, possession or use of illicit drugs and alcohol on University premises or property or as part of any University activity. These rules assure that the University is in compliance with all applicable federal, state, and local statutes, regulations, and ordinances.

Copyrighted Materials and Licensed Software

Reproduction of copyrighted materials that have not been placed in the public domain or of software that has not be distributed as freeware, without the consent of the copyright holder is prohibited as set forth in the laws governing copyright. Violation of U.S. copyright laws can lead to civic damages as well as criminal penalties, including fines and imprisonment, and is prohibited by Avila University.

Family Education Rights and Privacy Act (FERPA)

Avila complies with the provisions of the Family Education Rights and Privacy Act of 1974. This Act, as it applies to institutions of higher learning, insures that students have access to certain records that pertain to them and that unauthorized persons do not have access to such records. Copies are available upon request to the Registration and Student Records Office.

Student Right-to-Know Act

Avila complies with the provisions of the Student Right-to-Know Act of 1990. This Act requires institutions of higher learning who receive Title IV student financial assistance to be responsible for calculating completion of persistence rates, and making them available to current or prospective students through "appropriate publications and mailings." Request for copies can be directed to the Registrar.

Education Pass Rates

Information on the pass rates of the Education major including the Praxis exam are available on the Avila website at www.Avila.edu.
